MEMORANDUM FOR: Chief, CIA Automatic Data Processing Staff
Director of Security
Director of Personnel

SUBJECT : SRD Index System Conversion Project

REFERENCE : Memo dtd 27 Mar 63 to DD/S fr C/ADPS,
same subject

I have approved the conversion project outlined in the reference.

In view of the critical shortage of space in the headquarters building and since the clerical personnel who are to do the work are located at 1016 16th Street, this would appear to be a preferable location. It is an important project and I wish to move forward with it as expeditiously as possible and to be kept advised of its progress.
